Create unexpected and high-quality partnerships that will ensure our safety today and tomorrow

Showcase your company and products

The online exhibition is the perfect place to show your company's products to the visitors of NEDS 2020 Digital. The online exhibition space allows more visitors to your exhibition booth and makes your company more visible!

One-on-one sessions with potential clients

The possibility to get in one-on-one conversations with visitors of your exhibition booth results in new contacts for your organization. This leads to new partners for future business and creates new opportunities for your business.

Digital booths perks/bonuses

The digital booth provided to exhibitors gives them the privilege to bring three employees to the event, time period dedicated to one-to-one session with other visitors in your online booth, and the opportunity to discuss solutions and deal making possibilities on the event.

Take a look at how your exhibition booth will look like during NEDS 2020 Digital!
